### HOME AND ROADSIDE ASSISTANCE

In the event of the immobilisation of your vehicle, whether at home or elsewhere, MAP+ will arrange assistance for you. Whenever practical, we will endeavour to fix the vehicle at the roadside but if the problem cannot be resolved at the roadside, we will pay the costs of taking your vehicle to an Authorised Mitsubishi Dealer or Mitsubishi Authorised Service Point nearest to your home address in the UK.

Onward travel/hotel accommodation Following assistance and in the event that repairs to your vehicle cannot be completed within four hours as a result of immobilisation, we will, whenever possible, organise and pay for you and your passengers to continue your journey or return home by the most appropriate means. Alternatively, if breakdown occurs more than 50 miles from your home address and overnight accommodation is a more practical option, we will pay for the cost of bed and breakfast for you and your passengers up to £100 per person (£150 in Greater London). The maximum allowance under this benefit is £500 including VAT.

### CAR HIRE

In the event that, following assistance by MAP+, your vehicle cannot be repaired within four hours, we will, whenever possible, organise and pay for a replacement vehicle for up to two days. The rental provider will need to see your valid driving licence and you will be asked for a deposit to cover fuel charges and any additional days hire. For further information please refer to the Terms and Conditions relating to United Kingdom Cover on page 21.

### VEHICLE REDELIVERY

Provided that your vehicle has been recovered by MAP+ to an Authorised Mitsubishi Dealer or Mitsubishi Authorised Service Point other than your local Authorised Mitsubishi Dealer or Mitsubishi Authorised Service Point, we will arrange for it to be returned to your home address in the UK. Alternatively, if you wish to collect your vehicle personally, we will pay the appropriate transport costs to enable you to do so.

### GLASS BREAKAGE

Glass is not covered by this policy, however, in the UK if required we can contact an Authorised Mitsubishi Dealer or Mitsubishi Authorised Service Point on your behalf who will usually be able to arrange replacement glass for you. Alternatively, if a repair cannot be effected at your location, we can arrange to have your vehicle stored securely until the necessary parts are available for repair. The additional benefits detailed in this document will not be provided in the event of glass breakage and you will be liable for the cost of replacement parts.

## TERMS AND CONDITIONS RELATING TO MAP+ UNITED KINGDOM COVER

### CAR HIRE

Whenever possible MAP+ will attempt to provide you with a replacement vehicle from the repairing Authorised Mitsubishi Dealer or Mitsubishi Authorised Service Point. If we are unable to do so then a vehicle will be sourced through one of the major vehicle rental companies. You must be able to comply with their conditions of hire.

You will be responsible for any fuel costs incurred during the period of hire. Certain endorsements on your licence may prejudice your eligibility to hire a vehicle. Insurance requirements stipulate that you must have held a full UK driving licence for a minimum of 12 months.

### RELEASE FEES

Should your vehicle be stolen and subsequently recovered by the police, you may be asked to pay a release fee before we can remove your vehicle to an Authorised Mitsubishi Dealer or Mitsubishi Authorised Service Point or to your home address. Although we can arrange to guarantee these costs on your behalf, the payment of such fees is your responsibility.

### SPECIALIST CHARGES

In the event that the use of specialist equipment is required to provide assistance when your vehicle has, for example, left the highway, is in a ditch, is standing on soft ground, sand, shingle, stuck in water or snow or has been immobilised by the removal of its wheels, we will arrange recovery but you will be responsible for the costs. The costs may be refundable under the terms of your motor insurance policy.

### ADVERSE WEATHER CONDITIONS

On those occasions when we experience adverse weather conditions, such as high winds, snow, floods, etc., external resources may be stretched and some operations become physically impossible until the weather improves. At such times, our priority is to ensure that you and your passengers are taken to a place of safety and so the recovery of your vehicle may not be possible until weather conditions permit.

### LOCK OUT/LOST KEYS

Whilst we will always endeavour to provide assistance by the most practical method should you be unable to gain entry to your vehicle, modern security systems make it extremely difficult for this to be achieved should spare keys not be available. If a forced entry is required, you will be asked to sign a declaration stating that you have given permission for this to take place and that any costs for resultant damage will be your sole responsibility.

### INCORRECT FUEL

If your vehicle is immobilised as a result of refuelling with incorrect fuel, we will pay for the cost of recovering your vehicle to the nearest Authorised Mitsubishi Dealer or Mitsubishi Authorised Service Point. The additional benefits detailed in this Mitsubishi Approved Used Car Warranty handbook will not be provided in the event of refuelling with incorrect fuel.

## EXCLUSIONS RELATING TO MAP+ UNITED KINGDOM COVER

## MAP+ (MITSUBISHI ASSISTANCE PACKAGE) IN CONTINENTAL EUROPE

Roadside assistance and recovery. In the event that your vehicle is immobilised in Continental Europe, we will arrange assistance for you. If the problem cannot be resolved at the roadside, we will organise and pay for the recovery of your vehicle to the nearest Authorised Mitsubishi Dealer or Mitsubishi Authorised Service Point.

### STORAGE

If your vehicle has to be stored whilst awaiting recovery or repatriation, we will pay storage costs up to £100.

Onward travel/hotel accommodation In the event that the immobilisation has occurred en route to your planned destination and your vehicle has been taken to an Authorised Mitsubishi Dealer or Mitsubishi Authorised Service Point and cannot be repaired within four hours, you may wish to continue your original journey; we will, wherever possible, organise and pay the cost of the most appropriate method of onward transport to that destination.

Alternatively, you may wish to wait for the completion of repairs. If this necessitates an unscheduled overnight stay, we will, wherever possible, pay the costs of the hotel accommodation for you and your passengers up to a maximum of four days and £100 per person per night on a bed and breakfast basis.

### CAR HIRE

Provided that your vehicle has been recovered by MAP+, we will, whenever possible, organise and pay for a replacement vehicle within Continental Europe whilst your vehicle is being repaired, up to a maximum period of two weeks. The rental provider will need to see a valid driving licence and you will be required to pay a deposit for fuel and any additional days hire.

Please note that we cannot guarantee availability of vehicles with accessories such as roof racks, tow bars, etc.

For further information please refer to the Terms and Conditions relating to MAP+ in Continental Europe on page 24.

### PARTS DELIVERY

If the parts needed to repair your vehicle are not available locally, we will organise and pay for the despatch of these parts from elsewhere.

### VEHICLE REPATRIATION

If your vehicle cannot be repaired in Continental Europe or if the repairs will not be completed before your intended return date to the UK, we will arrange and pay for the repatriation of your vehicle to the Authorised Mitsubishi Dealer or Mitsubishi Authorised Service Point nearest to your home address in the UK. Alternatively, following your return to the UK and on completion of the repairs, should you wish to collect your vehicle personally, we will arrange and pay the cost of your outward journey.

The maximum amount payable by MAP+ for vehicle repatriation will not exceed the market value of your vehicle.

### ADDITIONAL UK CAR HIRE

If your vehicle is being repatriated or has been left in Continental Europe pending completion of repairs following electrical or mechanical failure (not accident or theft), we will organise and pay for a replacement vehicle in the UK up to a maximum of three days. Terms and Conditions for UK vehicle hire apply in this instance (See page 21).

If the only qualified driver travelling in the party is repatriated to the UK due to illness, we will pay the cost of an alternative driver to return your vehicle to your home address in the UK and arrange and pay for the costs of returning other passengers to their homes in the UK.

If you experience any issues whilst travelling abroad with your car, even if you encounter a legal or medical problem our experienced team of multilingual staff will be able to provide you with practical help and advice.

### ADVERSE WEATHER CONDITIONS

During periods of adverse weather conditions, snow, floods, etc., external resources may be stretched and some operations become impossible until the weather improves. ### AUTOROUTE RESTRICTIONS

If assistance is required on a French autoroute, and certain autoroutes in some other European countries, you must use the official SOS boxes at the side of the road in order to arrange initial recovery. You will be connected to the authorised motorway assistance service because the roads are privatised and we are prevented from assisting on them.

You should contact MAP+ at the earliest opportunity so that we can arrange for the most appropriate assistance once your vehicle has been recovered from the autoroute. Costs incurred for recovery from the autoroute should be claimed back from MAP+.
